#### Churches

Beginning December 6, the Church of Christ will hold revival services. An able evangelist singer will take charge of the music. Mr. and Mrs. Varney will do the preaching. The church was never in better shape financially, nor in better condition spiritually. Mrs. Varney stated last Lord's Day that she would remain a few months longer if the church would enter into a strong evangelistic campaign to begin December 6, 1908. Mr. Varney will give all possible aid to the revival work when he is not lecturing. Great results are expected.

All regular services next Sunday at the Church of Christ. Everyone welcome.

### A Sure-enough Knocker.

J. C. Goodwin of Reidsville, N. C., says: Bucklen's Arnica Salve is a sure-enough knocker for ulcers. A bad one came on my leg last summer, but that wonderful salve knocked it out in a few rounds. Not even a scar remained." Guaranteed for piles, sores, burns, etc. 25c. at A. C. Martin's drug store.

The book contains 350 pages and treats fully on 35 subjects, giving an average of ten pages to each subject. Almost every law point that can possibly come up in connection with farming is given in plain language, so that no person can misunderstand its meaning. This book is not on sale anywhere and can only be secured by The True Northerner subscribers at the very low price named in the advertisement. Before taking up the matter with the publishers, we had the book examined thoroughly by first-class attorneys, who declare it to be everything that is claimed for it.—Grand Lodge Independent.

### Uncle Allen.

"Whether you believe in praying for rain or not," remarked Uncle Allen Sparks, "it's a thundering sight better if you don't mind my putting it in that way—can scolding Providence because you don't get it."

## Skating On Thin Ice.

Scores of Skaters Meet Their Death Every Winter Through Disregard of the "Danger" Sign.

While thin ice in spots marked "Danger" brings death to scores of overbold and reckless skaters, disregard to the warnings given by Nature kills off thousands who neglect their bronchitis or asthma, sore throat, coughs or colds.

The congested air-passages with the irritation produced by incessant coughing are the best breeding-places for the deadly germs of pneumonia and consumption.

Mortality arising from these terrible diseases is on the increase, and yet they can be arrested in their early stages.

Abbey Syrup, Cloister Sancto Paulo, has established a marvelous record in Europe for the cure of all bronchial and lung affections.

Try a bottle today. It will convince you. You simply cannot afford to be without it. Save doctors' bills, sickness and misery. This is the original remedy and is sold and personally recommended in Paw Paw by all druggists.

### Nut Chocolate Caramels

"Nut Chocolate Caramels are rich delicious confection, immensely popular," says Fannie Merritt Farmer in Women's Home Companion for December. "Put three and one half tablespoonsful of butter in a saucepan, and when melted, add two cupfuls of molasses, one cupful of brown sugar, and one half cupful of milk. Stir until the sugar is dissolved, bring to a boiling point, add four and one half squares of unsweetened chocolate, and stir constantly until the chocolate is melted. Let boil until, when tried in cold water, a firm ball may be formed in the fingers. Remove from the range, add one and one half teaspoonsful of vanilla and one half pound of almonds, blanched and chopped. Turn into a buttered pan, cool, and cut in small squares.

IF YOU HAD A NECK AS LONG AS THIS FELLOW, AND HAD SORE THROAT ALL THE WAY DOWN TONSILINE WOULD QUICKLY CURE IT. 25c. and 50c. All Druggists. THE TONSILINE CO., Canton, O.

### The Plagues of Egypt.

The plagues which, according to the Bible, were brought upon Egypt for the king's obstinate refusal to let the Israelites go into the wilderness to celebrate a festival were: (1) The turning of the river into blood, (2) frogs, (3) lice, (4) flies, (5) murrain, (6) boils, (7) hail, (8) locusts, (9) darkness, (10) the slaying of the first-born.

### Thieves and Humor.

The reason why cockneys are such smart thieves is that they have a keen sense of humor. The street arab picks your pocket while he grins at you. It is only stupid thieves who are serious. Poor Oliver Twist's seriousness was the cause of his arrest. The humor of the Artful Dodger and Charley Bates saved them from the gallows.
